Actuaries Present Briefing on Retirement Risk

What: Capitol Hill Briefing: Pension Risk and Your Retirement

The **American Academy of Actuaries** will present a Capitol Hill briefing on what you need to know about retirement risk in America. The actuaries will discuss risks inherent with retirement plan designs and the implications for retirement planning and public policy.

For more information on the briefing, visit:

http://www.actuary.org/events/2011/hillbriefings/hillbriefing_040411.asp

Who: Ethan Kra
Vice President, Pension Practice Council
American Academy of Actuaries

Lane West
Member, Pension Committee
American Academy of Actuaries

When: Monday, April 4, 2011 at 9:30 a.m.

Where: B-338 Rayburn House Office Building
Washington, D.C.

Contact: To register for the briefing or for more information, please contact Andrew Simonelli, assistant director of communications for the American Academy of Actuaries, at 202.785.7872 or Simonelli@actuary.org. For more information on the American Academy of Actuaries, please visit:

The American Academy of Actuaries is a 17,000-member professional association whose mission is to serve the public and the U.S. actuarial profession. The Academy assists public policymakers on all levels by providing leadership, objective expertise, and actuarial advice on risk and financial security issues. The Academy also sets qualification, practice, and professionalism standards for actuaries in the United States.
