Order the 2019 Life & Health Valuation Law Manual

The Life and Health Valuation Law Manual is a reference tool designed to help appointed actuaries comply with the requirements of the National Association of Insurance Commissioners (NAIC) model Standard Valuation Law and the Model Actuarial Opinion and Memorandum Regulation. It contains essential information for actuaries, including:

- Summaries of the valuation laws of all fifty states, Washington, D.C., and Puerto Rico;
- NAIC's model laws and regulations that may have an effect on reserve calculations;
- Discussion of generally distributed interpretations; and
- Current actuarial guidelines from the NAIC *Financial Examiners Handbook*.

The manual is published in a variety of formats so Academy members can select the version that best meets their individual needs. Options available include:

- Single-user web access gives one person unlimited online access to the 2019 Life & Health Valuation Law Manual until December 31, 2019. The subscriber receives a user name and password to access the manual online. Subscriber is prohibited from sharing the username and password with any other persons.

- Multiple-user web access permits a company and its affiliates to give employees unlimited web access to the 2019 Life & Health Valuation Law Manual until December 31, 2019. The subscriber receives one user name and one password that can be distributed to employees who want access to the manual online.
- The single-user CD-ROM subscription permits one person to use and install a CD-ROM copy of the 2019 Life & Health Valuation Law Manual on a primary (workplace) and secondary (home or laptop) computer. It prohibits using or installing the CD-ROM on any other computer.
- The multiple-user CD-ROM subscription permits a company and its affiliates to make copies of the CD-ROM version of the 2019 Life & Health Valuation Law Manual and distribute them to employees. The CD-ROM is programmed in a multi-platform format.

Please note the Academy and NAIC own the copyright in materials comprising the law manual. No portion of the law manual may be reprinted or copied in whole or in part, or resold without the express consent of the Academy and the NAIC, as applicable.

The manual was created as an easy reference tool only and should not be relied upon as a definitive source or as a substitute for your own thorough review of the applicable laws, regulations, rules, bulletins, or other materials published by the relevant state or federal governments or agencies. This manual is also not a substitute for legal advice on the subject matter.
