

New Academy Members

In the second half of 2021, the Academy welcomed 402 new members. Health was the most popular area of practice with 216 (54%), followed by life with 82 (20%); property/casualty with 69 (17%); and pension with 27 (7%). Four listed risk management and four listed other.

There were 258 (64%) who said they are employed by an insurance organization or organizations serving the insurance industry. Another 127 (29%) are working as consulting actuaries. The remaining 17 listed government practice, miscellaneous, or other. The average age of new members was just under 30. There were 142 women (35%) and 235 men (58%), while 21 did not specify a gender, and four identified as other.

Congratulations to the following new members who have taken the next step in their careers to demonstrate their commitment to professionalism and serving the public through the Academy.
