# Information About This Webinar

- The presenters' statements and opinions are their own and do not necessarily represent the official statements or opinions of the Actuarial Board for Counseling and Discipline (ABCD), Actuarial Standards Board (ASB), any boards or committees of the American Academy of Actuaries, or any other actuarial organization, nor do they necessarily express the opinions of their employers.
- The Academy operates in compliance with the requirements of applicable law, including federal antitrust laws. The Academy's antitrust policy is available online at <https://www.actuary.org/content/academy-antitrust-policy>.
- Academy members and other individuals who serve as members or interested parties of any of its boards, councils, committees, etc., are required to annually acknowledge the Academy's Conflict of Interest Policy, available online at <https://www.actuary.org/content/conflict-interest-policy-1>.
- This program, including remarks made by attendees, may be recorded and published. Additionally, it is not open to the news media.

If you have questions, please enter them in the "Ask Question" window on your screen.

# Maximize Your Viewing and Engagement Experience

- The individual windows are resizable and moveable, so please feel free to move them around to get the most out of your desktop space.
- You may expand your slide area and the media player by clicking on the arrows in the top right corner of those windows.
- If you have any questions for our speakers, you can submit them through the Q&A engagement tool.
- We invite you to share your input on today's webinar, and your ideas for future Academy webinars by clicking on the "Take Survey" tool on your screen.
