

Academy Welcomes 454 New Members

IN THE FIRST HALF OF 2024, the Academy welcomed 454 new members. Health was the most popular practice area with 243 new MAAs (54%), followed by life with 93 (20%); property/casualty with 69 (15%); and retirement with 35 (8%). Eleven listed other and three listed risk management.

There were 257 (57%) new members employed by an insurance organization or organizations serving the insurance industry. Another 167 (37%) work as consulting actuaries. The remaining listed government or government service (9), miscellaneous (8), broker (6), nonprofit (3), software developer (3), and university (1). The average age of new members was 31, and there were 298 men (66%) and 152 women (33%), with one not specifying a gender and three who identify as other.

We welcome these new members who have taken the next step in their careers to demonstrate their commitment to professionalism and serving the public through the Academy.
