30th International Congress of Actuaries to Offer Expert Insights on Challenges Facing Retirement, Health, Insurance, and Other Financial Systems

What: 30th *International Congress of Actuaries: "Learn, Interact, Grow"*
www.ica2014.org / #ICA2014

This quadrennial meeting of the International Actuarial Association, attended by actuaries from all disciplines and from around the world, includes more than 100 education sessions. Topics range from the demographic, financial and policy challenges facing public and private retirement and health systems, to efforts to measure and mitigate risks of extreme weather and financial uncertainty.

For a complete list of topics and speakers, visit ica2014.org/congressprogram/.

When: March 30-April 4, 2014

Where: Washington Marriott Wardman Park
660 Woodley Rd NW
Washington, DC 20008
United States of America

Who: The Congress offers credentialed journalists a complimentary registration to education sessions and exhibit hall functions (not including field trips and limited-attendance workshops). Pre-register by contacting David Mendes at 202.384.2075 or mendes@actuary.org.

Interviews: For assistance setting up on-site interviews, contact David Mendes at 202.384.2075 or mendes@actuary.org. Interviews with audio or video recording devices are not permitted in the exhibit hall.

#

The 30th International Congress of Actuaries is hosted and organized by the five actuarial associations in the United States: the American Academy of Actuaries; the ASPPA College of Pension Actuaries; the Casualty Actuarial Society; the Conference of Consulting Actuaries; and the Society of Actuaries.
