Actuaries to Discuss Pension Funding Policy and Other Issues at 2010 Enrolled Actuaries Meeting

What: Pension funding and a host of other pension issues will be on the slate during the **2010 Enrolled Actuaries Meeting**. The 35th annual meeting, which is jointly sponsored by the **American Academy of Actuaries** and the **Conference of Consulting Actuaries**, will feature more than 60 sessions covering various pension issues.

The meeting will also feature a special general session, "The Future of Retirement," on April 14 at 11:15 a.m. Veteran Washington policy experts will discuss retirement issues and provide an outlook on future retirement policy. Panelists will include:

- **Frank Todisco**, Senior Pension Fellow
American Academy of Actuaries
- **Phyllis C. Borzi**, Assistant Secretary of Labor for Employee Benefits Security
U.S. Department of Labor
- **Judy A. Miller**, Chief of Actuarial Issues
American Society of Pension Professionals and Actuaries
- **Stephen C. Goss**, Chief Actuary
U.S. Social Security Administration

A complete session schedule is available at:

<http://www.enrolledactuaries.org/ea2010/schedule.html>

When: April 11 - 14, 2010

General and concurrent sessions begin on April 12 at 9 a.m. and conclude on April 14 at 12:45 p.m.

Where: [Marriott Wardman Park Hotel](#), 2660 Woodley Road, N.W., Washington, D.C. 20008

Contact: RSVP required. Please contact Andrew Simonelli, assistant director of communications for the American Academy of Actuaries, at 202.785.7872 or Simonelli@actuary.org. For more information on the American Academy of Actuaries, please visit:

****RSVP required. Reporters must sign in at registration desk where credentials will be issued.**

The American Academy of Actuaries is a 16,000-member professional association whose mission is to serve the public on behalf of the U.S. actuarial profession. The Academy assists public policymakers on all levels by providing leadership, objective expertise, and actuarial advice on risk and financial security issues. The Academy also sets qualification, practice, and professionalism standards for actuaries in the United States.
