Alert No. 2021-L-2

July 22, 2021

### Updated Academy Interest Rate Generator / FAQ Paper Released

The annual update to the Academy's Interest Rate Generator (AIRG), which is currently used in some regulatory reserve and capital calculations is now available. [Version 7.1.202105](#) updates the AIRG with historical yield curves through December 2020. The scenario numbers of subsets generated by the internal scenario picking tool assume a Dec. 31, 2020, start date. In addition, the National Association of Insurance Commissioners Mean Reversion Point (MRP) change is updated in the AIRG accordingly.

An updated corresponding joint Academy/SOA frequently asked questions ([FAQ](#)) document has been posted on the Academy website. The FAQ paper includes the status of the AIRG, technical changes since the 2010 release of the AIRG, and other information on the AIRG that is also available on the [Academy](#) and the [SOA](#) websites.
