

Comment #145—10/30/2020—5:00 p.m.

Dear Committee on Qualifications,

My name is Sumaali, and I joined the Academy last year. I support the proposal to explicitly include a DE&I credit within our CE requirements in section 2.2.2 of the USQS exposure draft.

Steven Armstrong's [memo](#) captures the reasons for my support well.

Thank you for your consideration of this request.

Sincerely,
Sumaali
