Good Afternoon,

My name is Isaac Espinoza and I am a Fellow of the CAS, Fellow of the SOA, and Member of the AAA. It is important that we are aware of issues regarding diversity and inclusion as well as recognize that our organizations have significant room from improvement in these regards. I am writing in support of the proposal that Diversity, Equity & Inclusion education be considered a Professionalism topic for purposes of US Qualification Standards as described in this [letter](#) submitted to the Academy from CAS President Steven Armstrong.

Regards,
