Dear American Academy of Actuaries US Qualification Standards Team,

My name is George Belokas and I have been a member of the Academy since 2010. I am also a supporter of the International Association of Black Actuaries – an organization that has committed to influencing Diversity, Equity & Inclusion in the profession since 1992.

I am writing to offer my support of the proposal to add DEI as a Professionalism requirement to the USQS. It is critical for the actuarial community to encourage its members to explore DEI and the value it will bring to the profession and to our society as a whole.

Thank you for your consideration of this request. I look forward to seeing the updated USQS when it becomes available.

Sincerely,

George Belokas
