

New Academy Members

IN THE FIRST HALF OF 2022, the Academy welcomed 329 new members. Health was the most popular area of practice with 164 (50%), followed by life with 81 (25%); property/casualty with 43 (13%); and pension with 27 (8%). Nine listed risk management and four listed other.

For type of practice, 193 (59%) are employed by an insurance organization or organizations serving the insurance industry. Another 125 (38%) are working as consulting actuaries. Five of the remaining 11 listed government, with the other six listing miscellaneous or other. The average age of new members was 31. There were 174 men and 104 women, with 47 not specifying gender and four who identified as other.

Congratulations to the following new members who have taken the next step in their careers to demonstrate their commitment to professionalism and serving the public through the Academy.
